Work experience

12/2015 - currently

Freelancer

Risk Management

Short description:

Working on website for scientific circle – Risk Management from Cracow University of Economics (free of charge - I treat it as a hobby and opportunity to learn).

Education

10/2014 - currently

AGH University of Science and Technology: applied computer science

Languages

English: fluency in both written and spoken – advanced.

Polish: native

Skills

Ruby on Rails, Ruby, HTML, CSS, AJAX, JavaScript, Linux, C++

Inrests

My passion is broadly defined programming, but mainly Ruby on Rails and web development. I am engaged by it both on my University and outside of it. I am interested in PC games market, and I try to stay up-to-date with new releases. Oddly enough, I am not chained to my PC! I love to spend my free time playing basketball – It is my hobby from childhood, so I were taught team work long ago. Today above being a way to escape my worries, it strengthens my will and creativity.
